INSTANT ACTION SURPRISES MANY HERE

This grocer's story surprises local people. "I had had stomach trouble. All food seemed to sour and form gas. Was always constipated. Nothing helped until I tried buckthorn bark, glycerine, etc., as mixed in Adler's-ka. ONE SPOONFUL astonished me with its INSTANT action. Because Adler's-ka flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach and gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. MOTHER TELLS HOW VINOL

Made Her Delicate Boy Strong

New York City.—My little boy was in a very weak, delicate condition as a result of gastritis and the measles and there seemed no hope of saving his life. The doctor prescribed cod liver oil, but he could not take it. I decided to try Vinol—and with splendid results. It seemed to agree with him so that now he is a strong healthy boy. Mrs. THOMAS FROSTMAN, 1200 East 14th St., N. Y. City.
